## **Precision Filters, Inc. Policy Statement on Compliance with U.S. Export Control and Sanctions Laws**

Precision Filters is committed to full compliance with all export controls in the Export Administration Act and the Export Administration Regulations to the conduct of our business. These laws regulate exports of our products, software and technology and business with countries, entities and individuals that are subject to embargoes or sanctions.

It is Precision Filters' policy that all employees comply with the United States export policies and regulations found at <https://www.bis.doc.gov/index.php/regulations>. It is extremely important that all of us conduct the Company's business in accordance with these laws. No employee shall take actions intended to evade these laws. Specifically, no activities will be undertaken that are in violation of the United States policies which seek to control nuclear proliferation, missile technology, and chemical and biological weapons.
